Dear Mr. Willis:

Please accept this letter as verification that on September 17, 2008, the Board of Zoning and Building Appeals granted variance 20087185, a variance of 200 feet, to allow the Cuyahoga County Agricultural Society to construct a wind turbine up to 250 feet tall at the Cuyahoga County Fairgrounds, 164 Eastland Road. On October 8, 2008, the Planning Commission approved 20087199 to allow the Cuyahoga County Agricultural Society to construct a wind turbine at the Cuyahoga County Fairgrounds, 164 Eastland Road.

Please be advised that permits must be secured through the Building Department before the proposed turbine could be constructed. Should you have any questions, please contact me.

Sincerely,
