Animals that are entered in the show with the intention of selling them may stay in the competition if they have no breed disqualifications, only animals with disqualifications must be scratched. It is the exhibitors responsibility to be aware of the disqualifications that apply to their animals.

Exhibitors may sell their animals for any amount they wish over the minimum price. The minimum amount for rabbits is \$20.00 and the minimum for cavies is \$15.00. Be aware that 10% of the sale price goes to the Cuyahoga County Rabbit Breeders so make sure you price your animals accordingly

## It's Electric!

Experience the power of the wind through our 262 foot tall, 500 kW Wind Turbine.

Our 2,000 sq. ft. Sustainability Center is full of energy efficient elements such as lighting, sensors, solar tubes and solar attic fans, not to mention numerous construction materials such as high R value insulation, insulated concrete slab floors and a state of the art heating and cooling system. We also offer a small classroom that can be reserved for organizational, educational and community meetings. Our classroom seats 40 people theater style, or 25 people at tables and the entire building is wireless.

## Visit Today

A Wind Energy Curriculum and assisted instruction is available on site. Design and build a renewable energy device to take home as a part of a visit.

Please note: The instructional lessons, make and take renewable energy projects and tours **MUST** be scheduled ahead of time. A fee may be charged to cover the cost of the project materials.

School and educational tours may be divided into three sections and rotated through the Sustainability Center, Solar Fountain and a Turbine Walk depending on the number of participants. Students must be accompanied by certified teachers and/or adult chaperones.

**Tours must be scheduled and available dates fill up quickly. Please call the Fairboard Office,**

## **EDWARD D. KUEKES TRIBUTE**

The Pulitzer Prize Winning cartoonist from The Plain Dealer newspaper, Edward D. Kuekes featured an annual drawing about the Cuyahoga County Fair on the editorial page every August for many years. In 1967 Ed and his wife Clara presented the original drawings to the Agricultural Society in appreciation of over 50 years of happy hours spent at the Fair. Many of the drawings have been featured as the cover art for the Premium Book. The artwork can be seen both in the Fair Board Office and the Energy Education Conference Room during the fair.
