

CUYAHOGA COUNTY JUNIOR FAIR FAIRGROUNDS BENCH SPONSORSHIP

THE JR FAIR BOARD CLUB CHALLENGE

The Jr. Fair Board, in conjunction with its affiliated youth clubs, have been collecting plastic caps since October 2023 with the intent of using them to create new public benches at the Cuyahoga County Fairgrounds. The caps have been collected, but we need your help!

SPONSORSHIP SUPPORT

The Jr. Fair Board is seeking the help of local businesses to sponsor benches & support the green living initiative. New benches will be manufactured from the recycled plastic caps collected & permanently placed in the Cuy. County Fairgrounds midway between August 2024-July 2025. The sponsoring business's name will appear on a plaque on each bench.
